MEMORANDUM FOR: Chief, Career Management Staff, DO
Chief, Career Management Staff, DA
Chief, Career Development Branch, DI
Chief, Management Staff, DS&T

FROM: Robert W. Magee
Director of Personnel

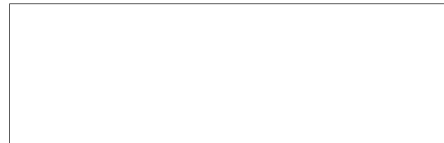

SUBJECT: Elimination of Grade Differential for Extended
Interim Career Trainees

1. Effective with the Career Trainee class to be inducted 7 January 1985, there will no longer be any difference in EOD grade between extended interim CTs and those for whom a supplementary training phase is not anticipated. The minimum EOD grade for all CTs, including those on extended interim, is thus GS-8/5.

2. Career Trainees judged to require additional seasoning, during their CT apprenticeship, before they are ready to assume all the duties of journeymen professionals, may still be characterized as extended interim. The Career Trainee Division of the Office of Personnel will rely on the Directorates to supply guidelines for the identification of prospective extended interim Career Trainees.
